

Wm. HURT Reconstituted

Altered States  
of William Hurt

1980 A protohuman  
the first truly human form  
there's two three of them  
in the isolation tank  
with the Mexican Staff  
listening him to killing  
a goat in a tank  
while he floats  
in a freaky tank trip  
Naked shivering with blood in his  
mouth.
