

# War Widows

- Why are they so silent
- What are they hiding
- Why did they die
- What were they fighting?

- Not hunger
- Not greed
- Not anger
- Just greed.

Who cares for the fatherless  
who cares that they mourn?  
who comforts the mother  
whose soul is so torn?

- Not thy neighbor
- Not thy club
- Not thy colleagues
- Not thy Network  
of shubs

- Alone in their grief
- they turn in their graves
  - Death was not relief
  - Women Men still are slaves
